QUESTIONNAIRES RETURNED AS UNCLAIMED MAIL (Special to The Times-Dispatch.)

BRISTOL, VA., January 15.—The Federal exemption board for Bristol the safe, the newspaper asserts, were a number of notes in which M. Calllaux, in session to review the returns of in the expectation of gaining office as questionnaires in connection with the Premier, drafted a Cabinet, designated next draft, and was somewhat startled a generalissimo and sketched various to find that more than 100 question-"exceptional" measures. These measreturned by the postal authorities as unclaimed mail. Whatever might have been the cause of such a long list of nondeliveries, the situation is viewed as probably signifying a disposition to escape military service by shifting place of residence. More than twenty young men who registered in Bristol now fail to claim their draft mail, indicating removal or disappear-ance from the community. The new industrial town of Kingsport, Sullivan County, shows that forty-eight young men in that community could not be found for the delivery of their mail in this connection.

The board is now active in prepara-

tion for the anticipated second draft.

# GARDNER'S DEATH LEADS TO CAMP INVESTIGATION

Representative Gard Introduces Resolution Calling for Probe Into Conditions That Cause Disease.

STATE FUNERAL IS PLANNED

Holding of Services in Capitol, Dependent Upon Consent of Mrs. Gardner, Would Break All Precedents.

| By Associated Press.] WASHINGTON, January 15 .- As a direct result of sentiment in the House mer Representative Gardner, at Camp Ohio, to-day introduced a resolution to direct the Military Committee to investigate camp conditions. Camp site selections, sufficiency of

clothing, hospital facilities and treatment of sick soldiers would be investigated, under the resolution. Many of Major Gardner's friends are supporting the movement.

Citing the illness and death of Major Gardner, for many years a Representa-tive from Massachusetts, as the result of pneumonia at Camp Wheeler, Macon, Ga., and reports of prevalence of pneumonia and meningitis at various camps, Representative Gard explained in presenting his resolution, that when
